It is best to submit these forms once your team is officially accepted into the Soccer Blast leagues (Notification is 1-2 weeks prior to the first game).

This form must be submitted via two methods:
 - An electronic version email to roster@soccerblastmn.com (filled out completely except for the Signature). This form can be found online, with instruction on where and how to submit.
 - A printed version must be turned into Soccer Blast (with Parent/Player Signature) prior to player(s) playing.

If both versions of the Roster/Waiver form are not received, the team will not be allowed to play. We suggest you send the electronic version 1 week in advance.

See the online Guidelines and Policies for adding players to the Roster/Waiver after the start of the session.
