

Women's Beginning Soccer Leagues

Presented by

Soccer Blast is proud to announce that we are now forming Beginning Soccer Leagues for women:

- who have never played, but have enjoyed watching a child or neighbor play and want to see if they have what it takes to make it on the field.
- who have kicked around with the kids in the back yard and is looking for that "next level".
- who want to start coaching and is looking for some "real" playing experience.

This league will be set up so that individuals will be placed on a "team", or existing groups can sign up together as a team. Each week the team will play against other teams. Referees will be provided!!

This league is for players who are truly beginners at the game and Soccer Blast reserves the right to ask players who may not fit (too much skill!!) to not play in this league. Adults of all ages are welcome to participate, but if you've had playing experience in the last 10 years or so, this league is not for you.

Women's Rec will consist of:

- 8 games (52 minutes). Referee included.
- Soccer Blast will form teams of 10-12 players
- Games start times between 6:30 -9:30 pm on Mondays
